Brief History and Background

The Lyallpur Khalsa College Technical Campus is a merged entity of two distinguished colleges of the region viz: Khalsa College Lyallpur Institute of Management & Technology established in the year 2010 and Lyallpur Khalsa College of Engineering established in the year 2013, under the aegis of Khalsa College Lyallpur Education Charitable Trust with more than 100 years of legacy. Presently under the leadership of Sardarni Balbir Kaur, the distinguished members of the Trust are successfully running a number of multi-disciplinary educational institutions. Under this campus we are running following Schools.

School of Management, IT and Hotel Management: The School has successfully created a position for itself as a leader in education due to its unwavering commitment towards imparting quality knowledge. School of Management echoes the vision of our founders who believed that the best way of surviving change is to initiate it. Our Institute strives to develop leaders keeping in view the expectations of the present-day business world. The managerial and leadership abilities of its students are developed through well designed courses which are taught by our distinguished and experienced faculty.

School of Engineering and Paramedical Sciences: The School was established with an aim to impart engineering education to the students to make them competent, motivated engineers and scientists. The institute provides education in the field of Computer Science & Engineering, Mechanical Engineering, Civil Engineering and Electronics & Communication Engineering disciplines and Medical Lab Science, Radiology and Imaging Technology, Medical Technology-Anesthesia and Operation Theatre. These are the most sought-after disciplines at present due to the huge potential for the industry absorbing the good students in these fields and very rapid investments taking place in the region.

The following UG and PG programmes are offered by the institute

Level	Course	Approved Intake 2022-23
POST GRADUATE	MCA	30
POST GRADUATE	MBA	120
UNDERGRADUATE	B.Tech.Computer Science & Engineering	90
UNDERGRADUATE	B.Tech. Electronics & Communication Engineering	30
UNDERGRADUATE	B.Tech.Mechanical Engineering	30
UNDERGRADUATE	B.Tech.Data Science	30
UNDERGRADUATE	B.Tech.Civil Engineering	30

Institutional Core Values

1. Striving for Excellence

LKCTC works untiringly to ensure impeccable quality and excellence in Learning, Teaching and Research across varied programmes.

2. Fostering Integrity, Diversity and Leadership

LKCTC upholds integrity, diversity and inclusivity among students, faculty members and staff, fostering value-based leadership in decision making and actions.

3. Commitment to Society and Environment

LKCTC is committed to serve the society through its various outreach and extension activities and recognizes that sustainable development is imperative.

4. Nourishing Equity and Cohesion

LKCTC promotes team work and cohesive environment, in the classrooms and beyond, by ensuring equity irrespective of social background.

5. Collaboration

LKCTC believes in cooperative efforts and seeks input from all stake holders of the college and industrial partners while achieving institute's goals.

6. Technological Innovation and Growth

LKCTC keeps pace with global advances in technology and incorporates the same in teaching to prepare students for successful careers.
